*Honey – 2448, 2460, 2472 only.

Base Finishes

Many other configurations are available. Contact your sales representative for details.

The human body is designed for standing, not sitting. That's why sitting for prolonged periods of time can cause many problems. Muscle strain, neck and back stiffness, and lack of circulation can result in loss of productivity. Performance Electrical Height Adjustable Tables can help promote a healthier and more efficient workplace.
