

CALIBRATE[®] SERIES

Height-Adjustable Tables

AIS

FLEXIBLE, EXECUTIVE-FRIENDLY DESKING.

Finally—a height-adjustable table that combines the ergonomic benefits of a flexible workspace with a sophisticated, private office aesthetic. Specifically designed to integrate with the Calibrate Series, AIS executive height-adjustable tables share Calibrate’s clean, modern lines, dimensioning and materials.

Choose from a range of generous sizes and finishes ideal for the executive suite.

Features sure to suit any space.

- Electronic adjustment with soft start/stop and memory presets
- Travel speed: 1.5" per second
- Dual motors (one in each leg)
- Soft collision technology that halts and retracts when table surface meets resistance
- 29" to 46" height adjustment range
- 250-lb. lifting capacity
- 42" to 96" adjustable base width
- 24" or 30" depth
- Optional 12" modesty panel
- Adjustable leveling glides
- Height-adjustable base kits may be purchased separately
- Explore your options with storage elements designed to contain and conceal height adjustable legs
